New! Knots 2U Engine Cowling Parts for Cessna 180 and 182
Carbon Fiber Construction - Hard to Find Parts- FAA-PMA/STC Approved

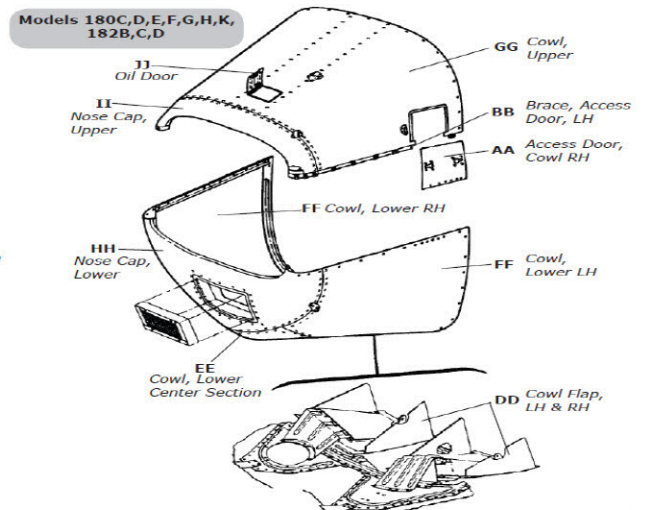

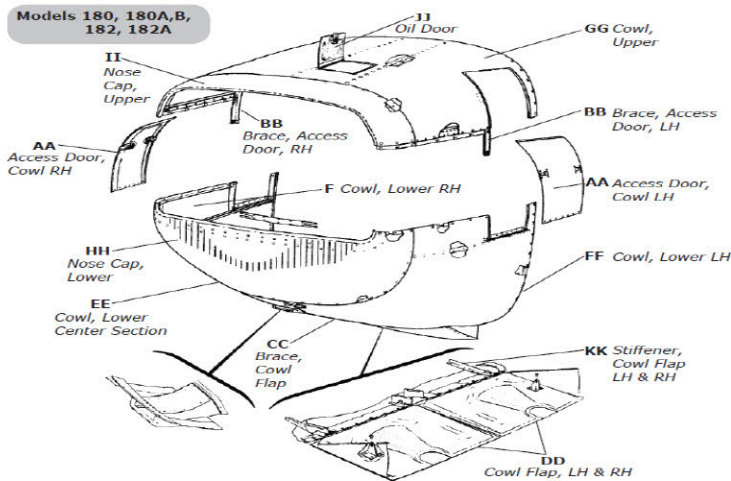

**30-40%
Lighter!**

**Stronger
than
Original!**

McFarlane Aviation Products is pleased to offer 20 new Knots 2U engine cowling parts for many Cessna 180 and 182 model aircraft. Made of **carbon fiber**, these new cowl parts are 30-40% lighter and stronger than OEM originals. Many of these part numbers are no longer available from Cessna, making them costly and hard to find from most suppliers, An additional 26 engine cowl parts will be available in the near future to allow for full engine cowling replacement on many Cessna 180 and 182 models.

Note: STC No. SA02173AT has not been approved by EASA countries.

*A table of the new Knots 2U carbon fiber cowl P/N's can be found on page 157 in the McFarlane Catalog on our website: WWW.GOULETAIRCRAFT.COM
