

RA164-23001 & RA164-23002

Subject: **NEW** FAA-PMA Approved RA164-23001 & RA164-23002

Rapco, Inc. announces the addition of 2 new brake discs approved for installation on Air Tractors: AT-802 & AT-802A.

The new RA164-23001 and -23002 discs are made from high carbon steel, heat treated one piece forges. They are nickel plated after machining to provide a strong, long life disc that has superior corrosion resistance. The disc fits on wheel assemblies as follows:

Model	Main Wheel Assembly	Standard Disc	Brake Assembly
AT-802, AT-802A	40-279	RA164-23001	30-210
AT-802, AT-802A	40-279A	RA164-23002	30-210A
