

HOSE CLAMPS

"Aero-Seal"

QS 200 All parts are made of stainless steel. Worm screw is 431 stainless, all other parts 302-18-8. Recommended where high strength and corrosion resistance is needed.

For Hex Head/Slotted Screw add an **"H"** to the dash number.

HEX HEAD SCREW

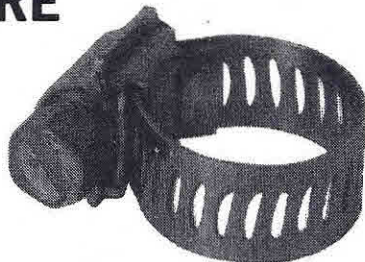

Complete Part Number for ordering should read:

QS 200 (Indicates Metal Content)	-M6 (Indicates Size)	H (Indicates Screw Head Design)
--	--------------------------------	---
